

Integrated Payment Solutions for Auto Lenders

Modern payment technology from REPAY helps you collect more payments.

Integrated directly to the AutoAction Dealer Management System (DMS) you already use, REPAY's payment tools support anytime, anywhere payments.

As experts in the automotive industry, we understand what it takes to run your business. Our solutions are customizable to meet your unique needs, simplifying the way your customers pay and streamlining your day-to-day operations.

Omni-Channel Payment Capabilities

When it's easier for your borrowers to pay, you can increase on-time payments and the number of payments made. Using ACH, debit cards, credit cards, or prepaid cards, payments can be made through any of our convenient payment methods.

Intelligent Technology

- Realtime reporting
- Recurring and one-time payment capabilities
- PCI-compliant for data protection
- Always available support

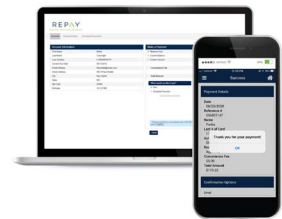

Invaluable Benefits

- Collect more payments
- Speed up cash flow
- Increase customer satisfaction
- Streamline your workflow
- Improve efficiency
- Reduce manual effort by staff

Better for Borrowers

Customers can pay you 24/7/365 from wherever they are, using the method they most prefer.

And every payment automatically posts back to AutoAction for simplified reconciliation and valuable insight into customer payment behaviors. It's never been easier to track missed or late payments!

Less Work for Auto Lenders

Centralizing payment management within your AutoAction DMS means you don't have to learn a new system to start accepting
