

Integrated Payment Solutions for Credit Unions

Modern Payment Technology from REPAY Helps You Collect More Payments

Integrated directly to the core system you already use, REPAY's payment tools support anytime, anywhere payments.

As experts in lending and financial services, we understand what it takes to run your credit union. Our solutions are customizable to meet your unique needs, simplifying the way your members pay and streamlining day-to-day operations.

Omni-Channel Payment Capabilities

When it's easier for your members to pay, you can increase on-time payments. Using debit cards or ACH, payments can be made through any of our convenient payment methods.

Intelligent Technology

- Realtime reporting
- Recurring and one-time payment capabilities
- PCI-compliant
- Always available support

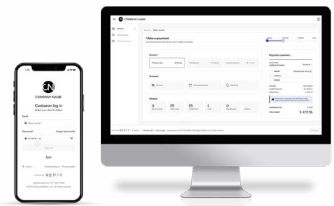

Invaluable Benefits

- Collect more payments
- Speed up cash flow
- Increase member satisfaction
- Improve efficiency
- Reduce manual effort by staff

Better for Members

Members can pay you 24/7/365 from wherever they are, using the method they most prefer.

And every payment automatically posts back to the core for simplified reconciliation and valuable insight into member payment behaviors. It's never been easier to track missed or late payments!

Less Work for You

Centralizing payment management within your core system means you don't have to learn a new system.
